PESTANA POUSADA PORTO – RUA DAS FLORES
HISTORIC HOTEL

Located on Rua das Flores, in Porto's old town, Pousada do Porto is the Pestana Hotel Group's most recently opened hotel in northern Portugal. Contemporary and discreet, with a warm and familiar atmosphere, it features 84 rooms, an indoor swimming pool, sauna, fitness centre and a meeting room. The Pousada, therefore, offers everything you need for a perfect stay in Porto, which has already been voted the best destination in Europe several times.

The rooms stand out for their levels of comfort and modernity, all equipped with a TV, a safe, air conditioning, a minibar and a bathroom with a shower.

On the ground floor, the reception features an inviting open space. Downstairs, the indoor swimming pool gives access to an interior patio.

P Gastro Bar offers snacks, cocktails and drinks throughout the day in a "Pause, Petisco, Pousada, Pestana, Porto" style.

And since we're in a place full of entrepreneurial people, there is of course a meeting room fully equipped for any task.

The Pousada is ideally located for exploring Porto at a leisurely pace. It is within walking distance of the city's main attractions, including the Igreja da Misericórdia, Avenida dos Aliados, Ribeira and Torre dos Clérigos. Rua das Flores is in itself a point of interest thanks to its historic and noble buildings and the history of the street itself, now over 5 centuries old.
